

User Guide

Here is an easy to follow guide for SafeKnight users –

First use

- Download the free SafeKnight app from your appstore
- Follow the on-screen instructions
- Take a photo to make sure the app works
- Tell your next of kin/friends that you're a SafeKnight user

All subsequent uses

- Press the SafeKnight icon on your phone
- Take a photograph as normal, once the camera has loaded
- Confirm that you want to use the image
- Take further photographs, if required

The images are automatically stored on a secure database that can only be accessed by the Police. If you want to view your images then they are automatically stored in your photo gallery.
